Stain remover

extra strong

Removes stubborn stains

Cleans deep in fabric fibres with oxygen power

With dirt-repellent effect

HG stain remover extra strong

- with dirt-repellent effect
- removes even the worst stains
- incredibly effective

HG stain remover extra strong **is strengthened with active oxygen, which enables it to remove even the most stubborn stains such as red wine, coffee, chocolate, sauce, lipstick, shoe polish, fruit juice, grease, etc. from textiles including carpeting, furniture and car upholstery. The active oxygen formula means that even the most deeply ingrained stains are no problem at all.** ***HG stain remover extra strong*** **is suitable for virtually all textile types.**

Directions for use: Turn the nozzle on the front side a quarter. Completely spray the surface and leave to penetrate for a few minutes. Wipe off the stain with a clean, absorbent cloth (e.g. a flannel). Turn the nozzle a quarter after use (OFF).
