

PET HAIR DISSOLVER

500 g e

HG pet hair dissolver

- for all types of pet hair
- ensures a clean washing machine and laundry without pet hair

HG pet hair dissolver is a detergent additive that effectively removes pet hair from dog and cat beds and baskets, pet blankets, and other fabrics that have come into contact with pet hair, such as cushions and clothes. During the cycle, this product dissolves the pet hair, which means the laundry and the washing machine are completely free from pet hair.

Caution: Set the temperature of the program (long program, without prewash) in accordance with the care label.

The higher the temperature of the program, the better the end result. Do not overfill the washing drum as this may adversely affect the performance of the product. Repeat treatment if necessary. Keep the container properly closed in a cool and dry place.
